A Company of the new Millennium, Solutions in a friendly environment.

### **Here in you will find brief information about our company and CSC Medical Software.**

Our Company has been serving Doctors and DME offices in Florida since 1978. We are registered and Certified as Vendor/Clearing House with all major Insurance Companies including MEDICARE/MEDICAID, BCBS, etc.

The Software, (**Medical/DME**) are very user friendly and easy to learn and implement. It is a window based platform and uses all the Microsoft Windows interfaces and resources. It is intended to automate most of the administrative task in your office, such as Appointment Schedule, Billing, Account Receivable, etc.

We also provide our clients with the Electronic Claims Processing to Medicare, Medicaid and over 900 Commercial Insurance Companies that we have contracted with. This Electronic process includes not only the claims submission, but also Confirmations, Rejections, Claims Status and Electronic Remittance (for those carriers which provide it) with automatic posting.

This program is HIPAA compliant and the electronic claims process is supported under ANSI X12 4010A1 regulations and layout. (837/997, 835, 276/277 etc.)
